Red 2005

A truly charming vintage!

It has finesse, it's friendly and elegant, soft, fruity and mouth-wateringly rounded. Thoroughly enjoyable and seductive, this 2005 vintage is designed to win you over with its affability, not to impress you. Yet it is genuinely great ! Truly outstanding !

When a wine as splendid and seductive as the 2005 appears, should we deploy the artillery and shoot up the prices as everyone seems to be doing this year ?

You know our answer ! Not only is it a great year, but **you can benefit from a price that hasn't budged since last year**, except to reflect our fixed costs for bottles, corks, packaging ...

Over the years you have become a loyal friend of Daumas Gassac by ordering our *En Primeur* regularly. This means you are helping to support 'uncloned', 'non-industrial' viticulture which enables the individual spirit of each vintage to develop its own fascinating personality.

So, here is our 2005 vintage. You will thoroughly enjoy this 'genuine and seductive' nectar, after the near imperial power of the 2003 and the sun-drenched 2004 !

Our recent vintages remind us of a great symphony of the *Grand Terroirs*: three great movements, each differing from the one before ; each absolutely sumptuous !

One last thing ! We're abandoning our fixed delivery charges, **allowing our clients the freedom to take delivery of their En Primeur using the most appropriate and least expensive formula**

With our best wishes
