# *Red 2010*

## *A true aristocrat !*

The 2010 vintage - what a treat !

A splendid vintage, very full and rich, bursting with ripe fruit, with an excellent acidity that enlivens the noble, perfectly mature flavours. It's a vintage that is already delightful to drink, but will develop beautifully as the years go by.

Born of a vineyard that's over 30 years old... the 2010 vintage can thus be enjoyed while young, but you can be sure it will age magically if you put it down in a good, cool cellar.

You'll be welcome in our glorious, wild valley at only a few kilometres from the magnificent XII century abbey at St Guilhem-le-Desert.

We look forward to hearing from you.
