# *Red 2009*

## *Un somptuous vintage !*

**The 2009 vintage seems as close to perfection** as you can get, with an opulent mouth exuding great flavours, savours of very ripe fruit, incredibly rich tannins and low acidity, **it is truly outstanding, a vintage that will develop beautifully over the years.**

Our last seven vintages have been splendid but ...

**The 2009 is right up there with our greatest vintages, like those of 1978, 1988 and 2000.**

**2009 is both majestic and seductive;** one can drink it in its youthful first years. Or, equally, entrust it to the magic of long ageing.

If you have a good, cool cellar, let it nurture half your bottles of 2009 for several years whilst you drink the other half.

**Come and visit our cellars, discover the magic Gassac valley, its wild forest, its refreshing river.** You might even come across the spirit of the great Saint Benedict !

We look forward to seeing you.
