Mas de Daumas Gassac Red 2014
A rather special year !

2014 was an incredible year in our wild Gassac valley, giving birth to **a truly harmonious vintage.**

The low rainfall provided **intensely concentrated aromas.** The vines' deep roots, encouraged by our environmentally friendly viticulture, have delved deep into the rich complex terroir, unique to the Mas de Daumas Gassac.

The 2014 harvest was unusually short; with the help of some forty pickers from all over the world, it only lasted 14 days.

Great finesse, freshness, open from its early days, the 2014 vintage's seductive elegance will be enchanting right away !

A deep peony colour, bright with glints of ruby.

The nose develops slowly to become very aromatic, with elegant hints of blackcurrants and ripe wild berries.

As the mouth opens, the wine's great finesse comes through with splendid balance and lively flavours.

After 9 months maturing, the wine opens gradually to reveal soft, silky, noble tannins reminiscent of the greatest vintages.

Open several bottles of this remarkable vintage while it's still young to relish the savours and aromas of the Gassac valley. Alternatively lay down a few bottles to truly appreciate the superb ageing potential of the Mas de Daumas Gassac wines.

Friends of Daumas Gassac, thank you for your loyalty and support for our non-cloned viticulture and our refusal to use chemical or synthetic molecules. Over the years, this magnificent, preserved terroir has given birth to incredibly diverse vintages.

Sincerely yours,

Samuel, Gaël, Roman and Basile GUBERT

Aniane, 30 June 2015
